Carrie's Diary

Dear Diary,

This morning, I heard someone laughing while I was getting coffee at the café I loved. I followed the voice, and it was Tony with his family. I noticed that Tony had a little girl on his shoulders. I could see that she got her eyes from him—so big and blue. He looked great and happy. I'm glad to know he is living a good life.

It's true that I miss being Tony's girlfriend and the time we had together. However, I don't regret making the decision to live our life without each other because we both have met the right people for us. I guess saying goodbye made us strong.

I wouldn't go back and change a thing. Although it hurt so badly then, I'm thankful that Tony and I stopped dating each other. It's not wise to hold on to someone who's not right for you. You just have to let them go, and life will lead you down a different road. I didn't understand that, but now I see. Sometimes, yes sometimes, there's good in goodbye.

此處文字可從兩面解讀，有其趣味性：一方面是指「分開是有好處」
